The major expense so far

this month was \$450 for the "Adopt a Family" program. Co-Presidents, Mary and Linda along with their helpers, went shopping. It sounds like they had a great trip. Thanks to them for this effort.

100% of members have now paid their 2018-19 dues. THANK YOU FROM YOUR CLUB!

Herb Riegler was speaker this past Thursday. It was very appropriate that a man in his 90's and a WWII veteran should be there. There aren't many veterans of that war still living. Herb was introduced by Dan Carlson. Herb was a pilot, a very young pilot, of a C-37 cargo plane. He related his experiences in the south Pacific. When asked what kind of armament they had on board, he answered an emphatic NONE. His type of aircraft was for transporting troops and supplies, mostly the latter. They were never intentionally sent into a combat area. Herb related one time that they discovered a Japanese Zero 'hiding' under their tail. He never did anything, so they figured that he was lost and using Herb's aircraft as a guide.

Herb's mind seemed remarkably sharp for a man of that age. His memory of incidents was amazing Thanks for your service, Herb
